1% of sales

Directions:

Since I don't have money to buy more food, I decided to make money pizza. First I need a bag of money. Next, I need $\frac{1}{8}$ of lending. Then, I need $\frac{1}{2}$ of some savings bonds. Then I need $\frac{1}{3}$ cup of some giving to Bailey Elementary School. Finally, I need 1% of sales to the whole entire world. That is how to get a lot of money to make more delicious money pizza.

ON CHILDREN

If I hadn't had children,
I probably would have had more money and material
things.

I probably would have gone more places,
Gotten more sleep, pampered myself more.
My life would have been much more boring and
predictable.

As a result of being a parent,
I have laughed harder, cried more often.

I have worried more and hurried more.

I've had less sleep, but somehow I've had more fun.

I've learned more, grown more.
My heart has ached harder,
and I've loved to a capacity beyond my
imagination.

I've given more of myself but
I've derived more meaning from life.

Children are a blessing.
